**ROBERT JEFFREY MUELLER**

**Defendant**

**Case No.: 5:24-CR-00563-XR**

**DEFENDANT’S UNOPPOSED MOTION FOR CONTINUANCE**

TO THE HONORABLE COURT:

Defendant Robert Jeffrey Mueller (“**Mr. Mueller**”) files this Unopposed Motion to Continue (the “**Motion**”) and in support would respectfully show:

1. The Indictment against Mr. Mueller was filed on November 6, 2024.
2. On November 19, 2024, the Court entered a Scheduling Order, which set the date for entry of a plea agreement for January 3, 2025, and for jury selection and trial for January 21, 2025.
3. On January 6, 2025, the Court entered an Order Granting Continuance and Amending Scheduling Order, which set the date for entry of a plea agreement for April 4, 2025, and for jury selection and trial for April 28, 2025.
4. On February 25, 2025, the Court entered an Order granting Defendant’s Unopposed Motion to Substitute Attorney, permitting the undersigned counsel to appear as counsel for Mr. Mueller.

5. On February 26, the Court entered an Order Granting Continuance and Amended Scheduling Order, which set the date for entry of a plea agreement for July 18, 2025, and for jury selection and trial for August 11, 2025.

6. On February 27, 2025, the Government produced its initial production of documents to Mr. Mueller. The production was extensive, constituting several hundred thousand pages of documents. The Government has since produced several thousand additional pages of documents, most recently on July 17, 2025. Mr. Mueller is reviewing this new production and reserves the right to seek further documents from the Government.

7. Mr. Mueller produced documents to the Government on May 6, 2025. Mr. Mueller anticipates supplementing his production to the Government with additional, recently identified documents.

8. Mr. Mueller has also sought documents through subpoenas to third parties, including through a motion granted by the Court on June 24, 2025. These documents were received by Mr. Mueller on July 21, 2025, and provided to the Government shortly thereafter.

9. Mr. Mueller respectfully requests that the Court continue the trial setting and all deadlines in this case by at least ninety (90) days. The undersigned counsel need additional time to review documents produced by the Government, to review documents from third parties, complete their investigation of the facts related to this criminal case, confer with counsel for the Government, and discuss the same with Mr. Mueller. A continuance would also help avoid complications of proceeding to trial during a lapse in federal appropriations, should the lapse continue to such time.

10. This motion is not made for purposes of delay but so that justice can be done.

11. Undersigned counsel has conferred with counsel for the Government, who is not opposed to the relief requested herein.

12. For the foregoing reasons, Mr. Mueller respectfully requests that the Court grant this motion and extend the trial setting and all deadlines in this case by at least ninety days.

DATED: October 23, 2025.

Respectfully submitted,

**DAVIS & SANTOS, PLLC**
